We have worked with Tonya & Kenny for more than 10 years with regard to our own T-Shirt orders and referring customers to each other for respective services. We have always felt we are a valued customer and our needs and requests have always been met with diligence and professionalism. We consider A+ Graphix a top notch operation in our local small business community.

We have been using A+ Graphix since we opened 20 years ago. I appreciate the quality of the shirts and print that they provide. They have always made sure we are 100% satisfied and I truly enjoy working with them on the design aspect and the recommendations they give me, which comes from their experience.
